MICHELANGELO TURNS 15

This year we celebrate the birthday of the Legacy Hotels & Resorts' award winning hotel, The Michelangelo, which turns 15 years old. Yes, 15 years old and the Michelangelo is still seen as one of the premier hotels in Sandton.

BEST OF JOBURG AWARDS & THE MICHELANGELO HOTEL

The Michelangelo Hotel has once again proved its mettle as a premier destination, receiving two awards at the 16th Best of Joburg Awards, held in October this year. The awards aim to celebrate and applaud the success and superiority of locations, venues and products within Johannesburg.

It is against this backdrop that Legacy Hotels & Resorts' Michelangelo Hotel was voted as the 'Best Hotel in Joburg,' for the sixth consecutive year, and also received the award for the 'Best Special Event Venue'. Once again proving that guests looking for a luxurious home away from home, or a location for that very special occasion or function, need look no further than The Michelangelo.

THE WHEATBAKER AND THE COLLECTOR'S SERIES

The Collectors Series, which is set to be launched in November at The Wheatbaker Hotel in Lagos, is an exciting new art initiative aimed at providing a platform for established collectors of Nigerian art to showcase some of the country's most artistic talent.

A recognised art collector, who will provide a personal overview and perspective of their views of the art on display, will play host at each of the events. The Wheatbaker is putting together packages for the events that will include an overnight stay at The Wheatbaker, with complimentary breakfast for two, as well as two months free access to the hotel's gymnasium and an exclusive, VIP, black membership to the Legacy Lifestyle programme.

MICHELANGELO SPA

The Michelangelo Hotel has recently opened its very own health spa and treatment centre. With state-of-the-art treatment equipment and spa facilities the Michelangelo Spa's motto is to "rejuvenate and revive".

The therapists are considered artists, who fully understand the intricacies of the human form, and as a result the treatments on offer are designed to both pamper and restore the fatigued body and soul.

KWA MARITANE SPA

Looking for the ultimate pamper weekend or holiday? Well where better to visit a spa than in a bushveld retreat.

The Kwa Maritane Bush Lodge, in the heart of the malaria-free Pilanesberg National Park, will soon be unveiling its exclusive spa that will offer a range of world-class health, beauty and wellness offerings. Guests to the lodge will have access to all spa treatments, as well as all the amenities and facilities it has on offer.

KUZUKO LODGE GROWS WILDLIFE POPULATION

In a bid to ensure the continual thriving of the wildlife in the area, Kuzuko Lodge has purchased a number of new buffalo, and are rebuilding camps to ensure the effective management and conservation of the animals. The four recent arrivals will join the existing herd, taking the herd total up to seven, with four cows and three bulls. The animals are healthy and in good spirits after their arrival.

As part of the rehabilitation and reintroduction programme for the buffalo a larger buffalo camp is currently under construction. In light of this, the two resident male cheetahs have been placed in the Paddafontein boma until the completion of the buffalo camp. Moving the cheetah's has also provided a window of opportunity for the maturation of the youngsters of the many herds of antelope in the area, which will in turn increase the "prey" base for future predators in the area.
